Next Year is Just Around the Corner – Recertification

- Referees must register each year with U.S. Soccer through their State Referee Office.
- If you don’t know when or where to recertify for the upcoming year, contact your State Referee Office in the fall or winter, before the beginning of the next year.
- Referee registration for the calendar year with U.S. Soccer ends on June 30th of each year. If you want to referee in the fall, you must recertify before June of that year. You must be registered for a calendar year before you take the field in that calendar year.
- If you miss a year of registration, you can register once again by taking a recertification course and passing the test. However, you cannot register until January 1 of the year for which you are registered.
